

About CVM University

Charutar Vidya Mandal (CVM), founded in 1945, established CVM University which now has over 30,000 students studying at constituent colleges in disciplines like Engineering, Commerce, Education, Science, Arts, Physical Education, Architecture, Pharmacy, Ayurveda, Fine Arts and Management in Vallabh Vidyanagar. Contributions of Shri H M Patel & Shri C L Patel, the past Chairman of CVM has been immeasurable to prepare a stage for the institution that CVM has now become. Headed by visionary Er. Bhikhubhai B. Patel (President, CVM University), the university has, in recent years, embarked on a journey towards a future which is guided by technology, innovations & excellence. His vision is reflected in the quality and level of education across the colleges and disciplines.

About CVM College of Fine Arts

Founded a decade ago CVM College of Fine Arts is a premier institute for Art & Design education equipped with wide range of facilities where students would excel in their pursuit of creativity, may it be for expression or application. It is the first institute in Gujarat to have introduced a placement program. A student who enrolls introduced to all the necessary skills for art & design to handle complex projects in the first year itself.
